ALLEN'S JEWELERS TO OFFER ADIRONDACK LOON BEAD

- *Made in the USA, Fenton Art Glass Beads added to Popular Adirondacks Destination Bracelet and ADK Bead Line in Old Forge, NY* -

July 26, 2012 (Old Forge, NY) - Allen's Fine Jewelers located in Old Forge, New York is adding a Common Loon Art Glass Bead to its ever-expanding Adirondack bead bracelet offerings. The Loon Bead, currently being developed by Fenton Art Glass bead makers, is hand-made by Fenton resident artists and made in the USA.

Allen's began carrying ADK (Adirondack) beads in 2010 and the product line has expanded into ADK exclusive bracelets, ADK beads, earrings, pendants and now Fenton Art Glass Beads. "We love the Adirondacks. It's been home to us for 30 years and now we can offer a treasure that captures memories of the Adirondacks for all. The Fenton Art Glass Beads really round out our bead offerings. Locals and visitors alike can't get enough of this collection," states Bill Allen, owner of Allen's Fine Jewelers. "The Loon bead is new and we have other new Adirondack Fenton beads arriving soon."

In spring of 2012 Allen's began to offer the Fenton Art Glass Beads. The entire Adirondack's line now includes:

- **Adirondack Destination Collection:** Bracelet, Earrings, Pendant and Ring
- **ADK Beads:** adirondack chairs, pack basket, wine bottle, bear, deer and many more.
- **Fenton Art Glass Beads:** Twilight Dragonfly, Adirondack Loon, Cardinal, Carnival and many, many more.

You may see the entire collection at [Allens Fine Jewelers](http://www.allensfinejewelers.com). (<http://www.allensfinejewelers.com>)
